Colorado Legislative Scorecard & Political Report

Nevertheless, NARAL Co

LEGISLATION

Pro-Choice Victories!

- ✓ **HR1005 - L. Herod (D) "Concerning Ensuring Access to Reproductive Healthcare"** was one of the first of it's kind. A resolution that stated reproductive healthcare is a central component of **ALL** healthcare!
- ✓ **HB1186 - B. Pettersen (D) "12 Month Contraceptive Supply"** allows people who use contraceptives to access up to 12 months of their prescription at one time.
- ✓ **LARC for Colorado:** Colorado's pioneering legislation that provides low or no-cost Long Acting Reversible Contraception to low income women.

5 Anti-Choice Bills Defeated!

- ✗ **HB1086 - J. Everett (R) "Abortion Pill Reversal Act"** would have required doctors and the State of Colorado to lie to women, providing them with a pill that has not been approved by the FDA to do something it can't do—"reverse" an abortion.
- ✗ **HB1085 - P. Neville (R) "Women's Health Protection Act" (TRAP)** is another model bill based off of similar legislation in Texas that places undue regulatory burdens on clinics in an effort to shut them down and has been deemed unconstitutional.
- ✗ **HB1108 - S. Humphrey (R) "Protect Human Life at Conception" (Personhood)** is an attempt to outright ban legal abortion care.
- ✗ **HB1099 - T. Leonard (R) "No Trafficking Aborted Human Body Parts"**
- ✗ **The "Megabill" of Anti-Abortion Measures (10 model bills in one)**
- ✗ **SB284 - K. Lundberg (R) "A Woman's Right To "Accurate" Health Care Information"** contained over 10 model bills in it including "abortion reversal," mandatory ultrasounds, waiting periods and numerous other bad ideas.

Continued Fights:

- ✓ **HB1307 - F. Winter (D) - "Family And Medical Leave Insurance Program Wage Replacement" (FAMLI)** would provide paid family leave for Colorado workers, allowing women and families greater financial opportunity.
- ✓ **HB1127 - S. Lontine (D) - "Exempt Feminine Hygiene Products From Sales Tax"** would have reclassified tampons as necessary items not subject to state tax codes.

HOLDING LEADERS ACCOUNTABLE

Donald Trump named anti-choice ideologue Tom Price the head of Health and Human Services. NARAL Colorado launched www.priceiswrong.com to help our members contact our Senators to vote no!

In partnership with grassroots activists from C.A.P.E., Denver Indivisible and ProgressNow Colorado, hundreds came together to send a message against the nomination of anti-Roe Supreme Court Nominee Neil Gorsuch.
